BUSINESS EXPERIENCE

- 2020 - 2021** **DRUK HOLDINGS & INVESTMENTS, Thimphu, Bhutan**
DHI is the commercial arm of the Royal Government of Bhutan
Intern, Department of Foreign Investments
- Conducted in-depth research of 15+ mid-sized companies in Technology/IT sectors, presenting investment recommendations to managers; executed financial statement and earnings analysis
 - Evaluated the Indian stock market by examining performances of NIFTY and SENSEX, the two largest financial indices in India
 - Examined possibilities of diversifying investment into the European markets by conducting detailed analysis and breakdown of major European indices such as the FTSE and STOXX Europe 600
- 2019 - 2019** **IGT SOLUTIONS PVT LTD, New Delhi, India**
Business process outsourcing services firm specialized in the travel and hospitality sector that was acquired by a joint venture of Apollo
Intern, Strategy and M&A
- Interned under the head of Strategy & M&A with the goal of driving IGT's growth through acquisitions and business expansion
 - Formulated growth strategies for IGT by reviewing competitor performances and services as well as discovering new regions offering multilingual capabilities along with low costs of business
 - Researched over 20 acquisition targets in the business process outsourcing industry on basis of critical financial parameters such as turnover, CAGR of revenue, employee growth profit margins and EBITDA
- 2018 - 2018** **FREDERICKS MICHAEL & CO., New York, NY, USA**
Boutique investment bank specialized in executing cross-border mergers and acquisitions in Europe, Asia, and the Americas
Investment Banking Summer Analyst
- Assessed company business models, built earnings models and valuations, and assisted with marketing for potential clients; worked on potential sell-side and buy-side M&A deals
 - Performed in-depth comparable company analysis, multiples valuation of €700mm Northern European precision measurement equipment manufacturing company and compiled a list of potential acquirers
 - Evaluated potential cost synergies and performed valuation of a \$31mm US plastic thermoforming company in its acquisition by German manufacturer of thermoplastic products
 - Created a report on end markets of a target company to ensure the long term viability of a potential acquisition to the client, ensuring the completion of the deal
 - Facilitated the creation of Fredericks Michaels' Clean Energy Drive by discovering and contacting European renewable energy companies (\$50mn-\$100mn) and setting meetings with the executives
